

# HUGE UTILITIES SAVINGS FOR MEMBERS

## Energy prices are going up. Fix your prices now.

Prices have increased recently by over £200 per year for the average customer.

If you haven't already fixed your energy prices, now is the perfect time to do so.

**Fantastic service! We were even warned we might not be on the correct tariff, which proved correct!**

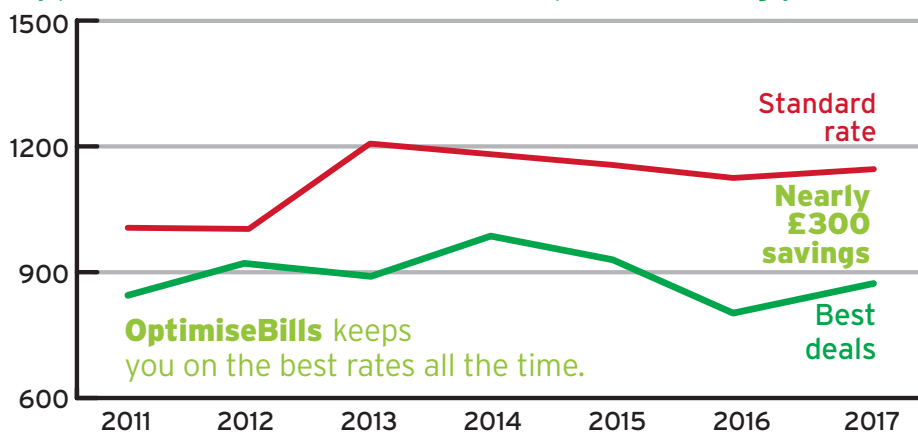

Mrs B. Green

## How is OptimiseBills different from other comparison services?

It is completely impartial. We don't direct you only to deals that pay us commission as some web sites do.

**OptimiseBills** makes the cheapest deals available to people without the internet and can even operate an online account on your behalf.

## Typical standard and cheapest energy deals

## POLICE FEDERATION SPECIAL OFFER

Cheshire Federation has negotiated a special rate for the **OptimiseBills** service - **20% off**. You can switch for free and there is a small fee for the full service.

Friends and family are also welcome.

## Business users & charities

**OptimiseBills** can also help small businesses and charities get cheaper energy.

Savings can be 40% or more.

## About OptimiseBills

**OptimiseBills** has been operating since 2010 as a member service for Police, Police Staff and friends and family.

It is run by Ian Maxwell, who has worked in several government and police organisations.

A small team aims to deliver great personal service and save you money.

**Ian checked my energy bill and spotted an error made by the supplier. They recalculated my bills and I got an extra £70 credited to my account!**

Mr P. Smyth

## Supplier errors and disputes

**Energy suppliers seem to make mistakes all too often.**

**OptimiseBills** can help you deal with supplier errors, getting refunds and debt written off (£1200 in one case). We have an excellent record in resolving problems with suppliers.
