## YOUR NEW CHESTER FACILITY

Your training facility has been designed with the knowledge and experience of our lead coaches in elite sport. We wanted to bring an elite environment, knowledge and guidance to all. We want to transform where and how you train through our programming, support and coaching. The facility will be the first of its kind in the UK with world class training equipment, watt bike studio, nutrition bar, cryo therapy chamber and expert coaches to support you all the way.

If you sign up and pay your first monthly instalment before 1st Nov 2017 we will give you an **extra 5% discount!** (25% in total)

## What we are offering

A training facility like no other! Every member will be given a programme, train in an elite environment and have an assigned coach that will give you the tools to hit your goals. We align your programme to your sport or goals, all built on our training app which links to Fitbit and MyFitnessPal. This way we can monitor all you do and make sure you are on track to the results you desire. We want to be with you every step of the way. We want to share our knowledge with all, from the youth to the elite. If you are serious about your health, fitness and sport then we are the place for you.
